

Creative Learning

Learning can be fun, effective and efficient when you
understand how the brain and mind operate

Learn how to

- ✓ To assimilate and present large volumes of information quickly
- ✓ To improve the organisation of your thinking and planning processes
- ✓ How to be creative in a fun way and get "brain fit"
- ✓ How to grow your talents
- ✓ To increase your reading speed up to 400%
- ✓ To improve your concentration and comprehension

Benefits

- ✓ Boost your creativity and learn a new skill
- ✓ Improve the fitness of your brain and deal with the huge amounts of data thrown at you
- ✓ Work creatively as an individual and as a team
- ✓ Recognise that everyone has MENSA level "Eye-Cue"
- ✓ Information Management is first a matter of managing the manager of information - THE BRAIN!

Creative Learning is a simple, useful guide to understanding that it's your brain and your mind that free your potential to learn ... *We guarantee it!*
